

COMM101

This is Fundamentals of Public Speaking class and here are some of the things I learned in this class:

1. How to analyze my audience and adapt my presentations accordingly.
2. How to be a better oral presenter by learning how to create speech outline and organizing it.
3. How to develop ideas for a speech using credible sources.
4. How to use presentational aids like PowerPoints
5. How to be active listener and evaluate a speech or presentation.
