

# ABOUT ME:

Thank you for visiting my portfolio. I'd like to start off by introducing myself. My name is Jonas Smith. I graduated from Bluffton High School in 2017. In the fall of that same year, I enrolled at Ivy Tech to major in Mechanical Engineering Technology. I graduated from Ivy Tech in the spring of 2019 with an A.S. in MET as well as a T.C. in Electronics and Computer Technology. My objectives in my career are:

- Build a long-term career in the engineering industry with opportunities for career growth.
- To enhance my professional and educational skills in a stable and dynamic workplace.
- I desire to achieve and succeed my personal as well as the company's goals.

In my free-time, I love to play golf, fish, and be outside spending time with my friends and family.
